Day 1 of 2

LITeS Introduction & Understanding Yourself Using the Myers-Briggs Assessment

The purpose of this workshop is to introduce the LITeS program; to begin a dialogue among participants; to obtain new executive skills; and to learn about interpersonal styles. Participants will discuss expectations for the program and share their views on leadership, innovation, and teamwork in academic research. Training on more efficient meeting dynamics will be delivered.

7:00-8:00 a.m.	Coffee/Tea/OJ & Pastries Registration
8:00-10:00 a.m.	Program opening— Anne Libby, Ph.D. Participant introductions: <i>Conocimiento—Dining Room</i>
10:00-10:30 p.m.	Introduction to LITeS Program— <i>Living Room</i> Dr. Anne Libby
10:30-12:30 p.m.	Meeting Dynamics— Larry Edelman, MS
12:30-1:30 p.m.	Lunch (on terrace, weather permitting)
1:30-4:30 p.m.	Understanding Yourself: Your MBTI— <i>Living Room</i> Judith Albino, Ph.D.
4:30-5:00 p.m.	Reflection: Challenges & Expectations— Anne Libby, Ph.D.

Leadership in Innovative Team Science (LITeS Program)
September 3 & 4, 2009

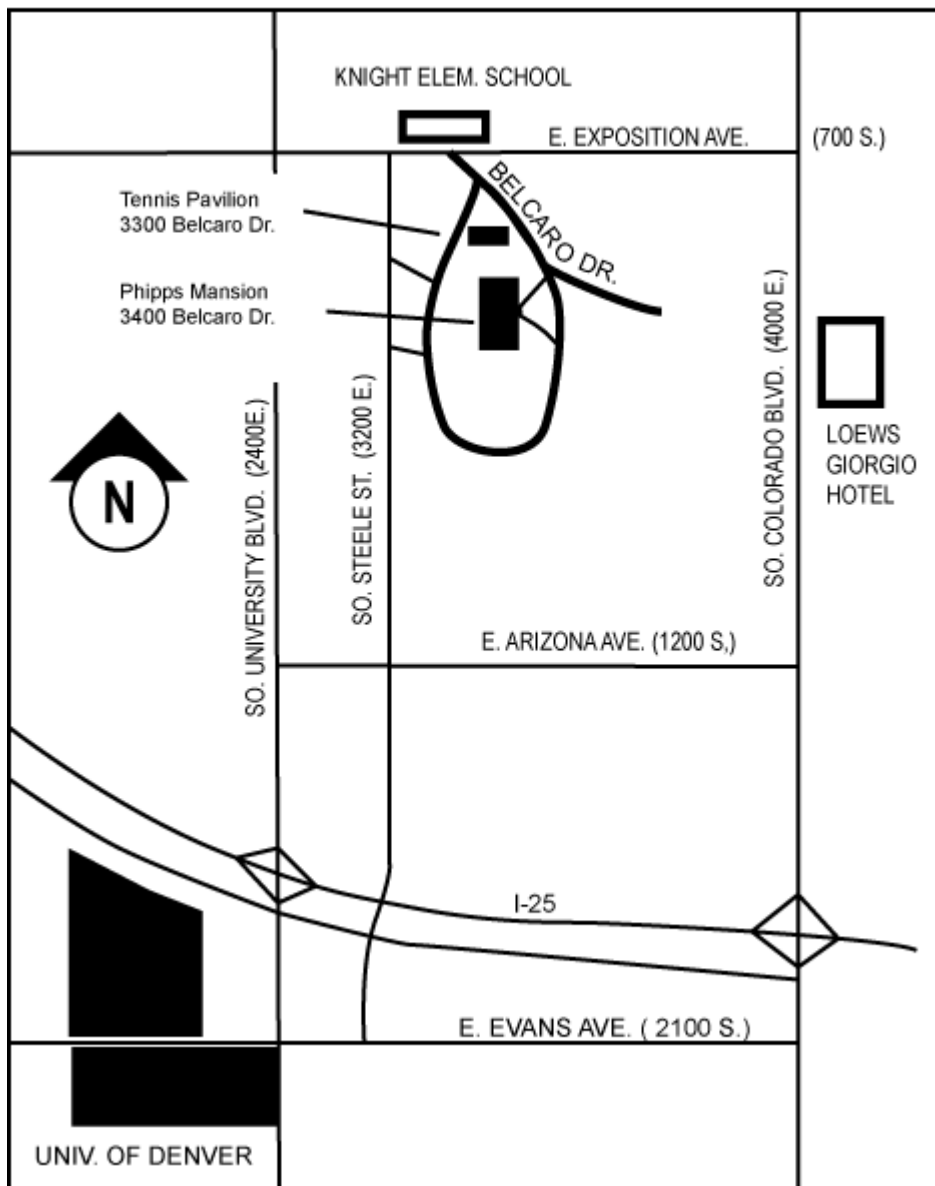

Friday, September 4th, 2009

Day 2 of 2

Exploring Leadership Concepts and Behaviors

The purpose of this workshop is for participants to acquire a strong understanding of leadership types and how they affect collaboration. We will define the tenets of the LITeS program: leadership, innovation, and teamwork. Participants will assess their own leadership styles. Participants will be introduced to the active learning process, and begin a personal leadership development plan.
